

2026 TEPA Annual Conference and International Symposium

Call for Papers & Best Master's and Doctoral Thesis Awards

The Taiwan Efficiency and Productivity Association (TEPA) will hold the 2026 TEPA Annual Conference and International Symposium on July 4, 2026, and will also organize the Best Master's and Doctoral Thesis Awards. Scholars and graduate students in relevant fields are warmly invited to participate.

The theme of this year's conference is: "Environmental and Resource Management: Efficiency and Productivity under Sustainable Development."

The symposium aims to respond to global trends in sustainable development and resource management. It explores how efficiency and productivity analysis can improve resource utilization under highly uncertain environments, and seeks to promote the integration of theory, methodology, and practical applications. The conference also provides insights for industrial development and public policy formulation.

We sincerely invite scholars, researchers, and practitioners from academia, industry, and government to submit innovative and empirical research. Through interdisciplinary dialogue and knowledge exchange, the conference aims to deepen the understanding of environmental and resource management as well as efficiency and productivity issues, contributing to Taiwan's sustainable development and global competitiveness.

Conference Topics (including but not limited to):

- Innovation and development of efficiency and productivity analysis methods
- Integration and application of efficiency and productivity analysis methods
- Theoretical and foundational research on efficiency and productivity
- Efficiency and productivity analysis at the industry level
- Applications of efficiency and productivity in business management
- Empirical research and case studies on efficiency and productivity
- Literature reviews and trend analysis related to efficiency and productivity
- Research on resource allocation and reallocation efficiency
- Macroeconomic productivity and growth forecasting
- Environmental resources and sustainable productivity research
- Other theoretical or practical topics related to efficiency and productivity

Conference Date: July 4, 2026 (Saturday)

Important Dates:

- Abstract submission deadline: May 15, 2026 (Friday)
- Notification of acceptance: June 1, 2026 (Monday)
- Payment deadline: June 8, 2026 (Monday)
- General registration deadline: June 8, 2026 (Monday)

Best Master's and Doctoral Thesis Awards

The Best Thesis Awards will be held as part of the conference. Submission methods include:

1. Departmental nomination: Each department may recommend up to two theses.
2. Self-application: Applicants must submit a recommendation letter from their thesis advisor, along with the application fee (NT\$2,000 for master's theses; NT\$3,000 for doctoral theses).

For both methods, either the applicant or the advisor must be a TEPA individual or institutional member. Eligible theses are invited to apply by June 1, 2026 (Monday) through the TEPA website:

<https://sites.google.com/view/tepaweb> .

Applicants should also submit the payment receipt and nomination form to: tepaccu@gmail.com

Organizer: Taiwan Efficiency and Productivity Association (TEPA)

Guidance: National Science and Technology Council (NSTC)

Host: Graduate Institute of Sport, Leisure, and Hospitality Management, National Taiwan Normal University.

Co-organizers: Taiwan Efficiency and Productivity Association, Graduate Institute of Sport, Leisure, and Hospitality Management (NTNU), Department of Economics (Soochow University), Department of Economics (National Chung Cheng University), Department of Shipping and Transportation Management (National Taiwan Ocean University), Department of Economics (National Taipei University), Department of Applied Economics and Management (National Ilan University), Institute of Business Intelligence and Innovation (Chihlee University of Technology), College of Management (Ming Chuan University), Chung-Hua Institution for Economic Research (CIER).

2026 台灣效率與生產力學會

第九屆年會暨國際研討會

徵稿啟事暨碩博士論文獎徵選

台灣效率與生產力學會預計於 2026 年 7 月 4 日（星期六）舉辦「2026 TEPA 年會暨學術論文研討會」，並同步辦理碩博士論文獎徵選，誠摯邀請相關領域之學者及研究生踴躍參與。

本次年會暨國際學術研討會以「環境與資源管理：永續發展下的效率與生產力」為主題，旨在回應全球永續發展與資源管理之趨勢，探討在高度不確定環境下，如何透過效率與生產力分析提升資源使用效益，並促進理論、方法與實務應用之整合與交流，為未來產業發展與公共政策制定提供具體參考。

本會誠摯邀請國內外產、官、學、研各界專家學者與實務工作者投稿具前瞻性與實證性之研究成果，透過多元觀點之交流與對話，深化對環境與資源管理及效率與生產力議題之理解，共同推動臺灣邁向永續發展並提升國際競爭力。

研討會主題（含但不限於）：

- 效率與生產力分析方法之創新與發展
- 效率與生產力分析方法之整合與應用
- 效率與生產力理論與基礎概念研究
- 產業層級之效率與生產力分析
- 企業經營與管理之效率與生產力應用
- 效率與生產力之實證研究與個案分析
- 效率與生產力相關文獻回顧與趨勢分析
- 資源配置與再配置效率之研究
- 總體經濟、生產力與成長預測
- 環境資源與永續生產力之研究
- 其他與效率與生產力相關之理論與實務議題

會議日期：2026 年 7 月 4 日（星期六）

重要日期：

1. 論文摘要投稿截止日期：2026 年 5 月 15 日（五）
2. 接受通知日期：2026 年 6 月 1 日（一）
3. 繳費截止日期：2026 年 6 月 8 日（一）
4. 一般與會者報名截止日期：2026 年 6 月 8 日（一）

碩博士論文獎

本次年會另設置「碩博士論文獎」，論文選送方式如下：

(一) 由各研究所推薦，以兩篇為限。

(二) 由作者自行申請，但需附指導教授推薦信函，以及申請費碩士論文獎貳仟元，博士論文獎參仟元。

以上兩種方式的申請，作者或指導教授需為本會會員。敬邀符合參選資格之碩士及博士論文，於 2026 年 6 月 1 日 (一) 前至學會網站 (<https://sites.google.com/view/tepaweb> 選擇「訊息公告→論文獎徵選訊息」) 投稿參與甄選，並請另寄送劃撥收據與推薦表至學會電子信箱 (Email: tepaccu@gmail.com)。

主辦單位：台灣效率與生產力學會

指導單位：國家科學及技術委員會

承辦單位：國立臺灣師範大學運動休閒與餐旅管理研究所

協辦單位：台灣效率與生產力學會、國立臺灣師範大學運動休閒與餐旅管理研究所、東吳大學經濟學系、國立中正大學經濟學系、國立臺灣大學經濟學系、國立海洋大學運輸科學系、國立台北大學經濟學系、國立宜蘭大學應用經濟與管理學系、致理科技大學商務智慧與創新研究所、銘傳大學管理學院、中華經濟研究院
